

Dance America presents

West Coast Swing Workshop with Doug Rousar

March 20, 2010, 1:00 PM - 4:30 PM
at Rhythm-n-Shoes Dance Studio
2172 Franklin Road, Bloomfield Hills, MI 48302

Instructor Doug Rousar

Douglas Rousar has a background in music education, directing, producing, choreography, and staging. He has a passion for musical theatre and dance, having spent a great deal of his life on stage. But, it was West Coast Swing that really sparked an interest and fueled a new passion. Doug travels an average of 40 weekends a year as a full time teacher, MC, and judge at dance competitions and workshops around the country.

In Doug's own words, "I have built a reputation for providing classes that are well balanced between patterns and technique using the structure of providing patterns to practice and reinforce the technique. We also have a lot of fun too!"

Private lessons with Doug are available all weekend.
Contact Doug at 920-279-0222 or by email at drousar@SD-PA.com
